

**Four Seasons Hotel New York Downtown**  
27 Barclay Street  
New York, New York 10007 U.S.A.

---

## FAMILY FUN ITINERARY

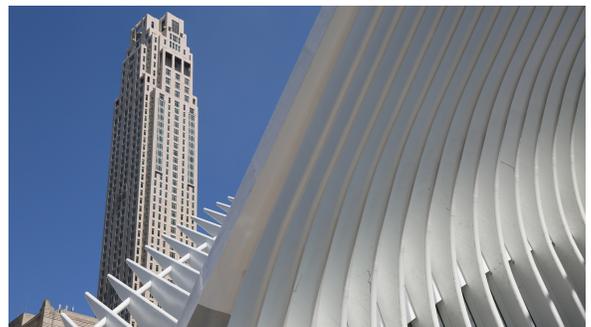

Come discover a part of New York City that allows you to take advantage of America's New Riviera, as coined by *Condé Nast Traveler*. Whatever the season, there is no better time to spend exploring the waterfront as the sun shines and the water glistens. The following itinerary is perfect for families, since you can enjoy a second room at 50% off the published rate.

## ARRIVAL IN NEW YORK

---

### Arrive at the Hotel

As families enter the Hotel, we have created a friendly and welcoming environment where kids are greeted with a treat from the toy wagon and made to feel special from that moment on.

## DAY 1

---

### Around the Waterfront

Downtown is all about being by the water, from the Seaport District to Hudson River Park, some of the best spots are right at your doorstep!

### Morning

- Walk over the [North Cove Marina](#), and hop on board the Shearwater, a classic Schooner perfect for an early morning sail to see the skyline from the water and get a sneak peek at the Statue of Liberty.
- Don't forget to have lunch at [Le District](#). Enjoy the upscale food emporium with many choices perfect for families. For something more casual, what child wouldn't love the [Shake Shack](#) by celebrity chef Danny Meyers? His spin on gourmet burgers, fries and concretes (milkshakes!) make for an unforgettable outing.

## Afternoon

After lunch, walk through the passageways to the Oculus and its [Westfield World Trade Center](#), just steps away from the Hotel. This retail, art and dining destination features stores for kids of all ages.

## Evening

- Back at the Hotel, freshen up and head out to [Bubby's](#) for dinner, an entertaining, eclectic spot suitable for the entire family.
- Then walk up to West Broadway and check out the fun of the [Balloon Saloon](#), or pick up an ice cream and take a leisurely stroll back to the Hotel.

## DAY 2

---

### Seaport District

One of the birthplaces of America, this is the original Seaport from the early 1800's. Formerly known as the "Fulton Fish Market" and "South Street Seaport," this historical location is also famous for being in the popular mermaid movie, *Splash*, starring Darryl Hannah and Tom Hanks. Take a stroll around and discover how this destination waterfront emporium is reinventing itself.

### Morning

- Enjoy a restaurant dining experience in the comfort of your own room through our extensive and innovative [In-Room Dining](#) menu.
- In the mood for steak for breakfast? Or how about a customized smoothie with all your favourite ingredients, which are sourced from local farmer's markets? We can make it happen.

### Afternoon

- Walk over to the [Seaport](#), where you can now walk (or bike) across the Brooklyn Bridge (a must-do for anyone visiting downtown New York City). This iconic landmark is not only beautiful when photographed, but equally inspiring to explore on foot.
- Once across, make sure to go down and enjoy a casual lunch on the river, where you have your pick of [Luke's Lobster](#) or a delicious pizza at [Juliana's](#).
- On your return walk across the bridge, stop off at the charming Seaport District and enjoy the cobblestone square with its unique boutique stores and ambience of yesteryear.

### Evening

- As the sun starts to set, head over to [One World Observatory](#) and take advantage of the highest view point in the city. From here, you can enjoy New York City's best views and see its environs for miles.
- Once back at the Hotel, stay in and enjoy [In-Room Dining](#) or try the delicious fare at [CUT by Wolfgang Puck](#), the celebrity chef's first restaurant in New York City. It features an inventive take on regional cuisine and steaks that is truly beyond compare.

## DAY 3

---

## Tip of the island

See what awaits at the newly redeveloped Seaport District.

### Morning

- Order breakfast in bed through [In-Room Dining](#) and enjoy your luxurious surroundings before heading out for the day.
- Start your day off right with an invigorating swim at the the Hotel [pool](#).
- Head to the [SeaGlass Carousel](#) – a must for the whole family.

### Afternoon

- Spend some time walking east along [Battery Park](#), then enjoy an alfresco lunch on the water at the North Cove Marina.
- After lunch, make your way back towards the Hotel and spend some time shopping for unique finds in Tribeca, which has independent shops perfect for all ages, including many stores for children.

### Evening

- Just a short taxi ride away, dinner at [Sugar Factory](#) is a special treat for the whole family. An American brasserie in the West Village, it's worth checking out. If you prefer to stay closer to the Hotel, head to the Seaport District have a quick bite along Front Street or [Fulton Market](#).
- After dinner, head to the epic Movie theatre – a film experience like no other. You can even dine and unwind in your seat as you watch the latest Hollywood blockbuster.
