ITINERARY DETAILS

Day 1 Arrive Jackson Hole

Upon arrival in Jackson, secure your rental vehicle (arranged independently) and drive 30 minutes to your accommodations.

Jackson Hole was named for the high valley where mountain men gathered beside the Teton Range in the early 1800s. These days, tent camps and ranches have been replaced by galleries and fine dining. You can enjoy the natural beauty and unlimited outdoor recreation that draws visitors from around the world. The identity of modern Jackson is tied to neighboring Grand Teton National Park, where wildlife watchers, climbers and hikers pursue their passions.

Day 3
Private Snake River Float / Jackson Hole Rodeo

B

A scenic float on the legendary Snake River allows you to relax and enjoy panoramic views of the Teton Range. There is no need to paddle, as your guide keeps your raft on course and watches for wildlife along the riverbanks. You never know when a moose, osprey or bald eagle might appear. This is a peaceful float with a focus on nature.

This evening, experience the thrilling Jackson Hole Rodeo. This sport has been a part of the local cowboy culture since the first settlers arrived over 100 years ago. Events include bull and bronc riding, barrel racing, and team roping. No trip to Jackson would be complete without experiencing the legendary Jackson Hole Rodeo.
