

THE ANNUAL STUDY OF LUXURY TRAVEL

The 2027 *Luxe Report*

A Guide to Key Trends and Insights in Luxury Travel

The 2027 Virtuoso Luxe Report

The Virtuoso Luxe Report is an annual survey of Virtuoso's global travel agency members and their professional travel advisors, widely recognized as leading authorities on luxury travel. Drawing on insights from more than 3,100 advisors across 50+ countries, the report reveals the destinations, behaviors and priorities guiding the choices of affluent travelers worldwide.

Advisors are entering 2027 with their most confident outlook in three years. A majority (53 percent) expect leisure travel demand to rise slightly in the coming year, while another 22 percent anticipate a significant increase.

That confidence carries through, with 59 percent predicting at least a modest increase in spend per trip and 13 percent forecasting a significant jump. Less than a quarter (23 percent) of those surveyed expect spending to remain the same, suggesting that luxury travelers are not simply maintaining current levels but accelerating their prioritization of meaningful experiences and investing more in access, quality and time. Even with that enthusiasm, value and safety have become increasingly important considerations in where and how they travel.

What follows are Virtuoso's complete global rankings, reflecting the places, preferences and priorities shaping luxury travel in 2027.
